

Buster Shaw Woodturning Tuition Scholarship Application

The Brookfield Craft Center is pleased to offer tuition scholarships to its Woodturning program. This scholarship is offered in honor of Buster Shaw, former instructor, Board member and longtime friend of the Brookfield Craft Center. Each year the Brookfield Craft Center will award three scholarships, one in each of the 2nd, 3rd and 4th quarters of the calendar year. The scholarship will cover all tuition and materials fees. The Brookfield Craft Center offers this opportunity so that the student may learn new skills and gain an appreciation for the creative process and in woodturning in particular.

Scholarship recipients will be chosen by a panel as defined by the Buster Shaw Scholarship Fund. The panel will review the applications and select those that reflect the strongest desire and ability to further develop their skills and interest in Woodturning. It is the hope that by taking a workshop at the Brookfield Craft Center, the recipients will be inspired to continue the creative journey and develop a life-long passion for craft.
