

WELCOME BACK

OUR GUIDELINES TO KEEP EVERYONE SAFE

CAMPUS-WIDE:

If you aren't feeling well (cough, fever) or have been exposed to others who are ill, please don't come in.

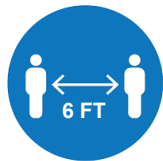

Face masks are to be worn by all faculty, staff, volunteers, students and patrons while on our campus. Masks will be supplied for anyone without one.

Restrooms in shop and studios will be cleaned frequently throughout the day.

Disposable wipes provided so common surfaces can be wiped down before use.

Observe social distancing - 6 feet between individuals or family groups.

IN OUR CLASSROOMS:

Studios cleaned, surfaces sanitized prior to the start of each class.

Class sizes are now smaller to allow for social distancing. Please maintain a safe distance and stay in your individual work area.

All hand tools provided by BCC will be sanitized before and after use in each class. *Individual studios may require additional safety measures or exceptions. These will be posted in each studio.

IN OUR SHOP:

We welcome up to 4 people in the shop at any one time. We suggest you call to schedule your visit (203-775-4526).

For your health and safety, we will ask for contact info to aid in contact tracing should it be necessary (kept for 30 days).
